The Dynamic Programming Model For Stimulating Demand Response and Renewable Energy
The Asymmetrical Effect of Oil Prices on Firm Returns: Evidence From the U.S. Oil and Gas Industry
Zero-Rating: Walled Garden or Gateway Drug? An Empirical Study On The Effects of pricing on Mobile Date Usage
Randomness in Limited Information Based Decision-making
Investor Attention in Financial Markets: The Effects of Google Search Volume on Abnormal Returns
Down Rounds and Down Times: Impact of Public Market Conditions on Venture Capital Investment Volume
Corporate Boards and Gender in the Post-Sarbanes-Oxley Era
Exploring Electricity Price Dynamics: Fitting A Markovian Regime-Switching Garch (1,1) Model
Simulated Solar Variability Effects Under High Penetration Renewable Energy Deployment
The Relationship Between CEO Gender and Stock Returns: An Investigations of Changes Over Time and Industry Heterogeneity
The Effect of the Affordable Care Act on Health Care Finance
A Brief History of the Hong Kong Property Market and its Socio-Economic Impact
A Study of Chinese RMB Internationalization and the Push for Inclusion in the SDR Reserve
Differential Effects of Stress on Risk Preferences
The Financialization of Crude Oil Options: An Analysis of the Effects of S&P 500 Implied Volatility on Crude Options Pricing
Visualizing the Trading Networks: An Analysis of Systemic Risk in High Frequency Trading Markets
Corporate Board Diversity: An Empirical Study of Its Effects on Firm Financial Performance
Seeking Alpha with AlphaGo : Research on the Application Prospect of Artificial Intelligence and Machine Learning in the Finance Industry
Forecasting Equity Index Volatility Spreads
Effect of Gender on Executive Compensation in S&P 1500
Revaluating Student Outcomes at For-Profit Colleges in the United States: A Comparative Analysis Without and With Student Controls
Firm Age and the U.S. Stoke Returns
The Effect of Mergers and Acquisitions on Innovation Performance: Evident from the U.S. Telecommunications Industry
The Impact of Real Estate Policy on the Korean Housing Sales Market and the Jeonse Market
Comparing The Effects of Investing in Portfolios of Socially Responsible Companies on Abnormal Returns
Do Family Networks Matter? An Analysis of Chaebols' Organizational Structure on the Samsung vs. Apple Rivalry
The Driving Force behind Commodity Futures Prices: Fundamentals or speculation?
Market Value and Patents In High-Tech Sectors
Investigating R&D Productivity in the Biotechnology and Pharmaceutical Sector and its Relationship with M&A Activity

He Says, She Says: An Empirical Investigation of Conditional Bias against Female Securities Analysts
Take It or Leave It: An Empirical Study of OECD Maternity Leave Policies on Female Labor Market Outcomes
Default Probability and Information Asymmetry: An Analysis of Income-Contingent Loan Contracts
Auction vs. Posted Price: An Empirical Investigation of Market Mechanisms in Online Peer-To-Peer Lending
The Effects of The Minimum Wages on High School Completion in The United States
Finance Growth, and A U-Shaped Transition: A Panel Analysis of CEE Countries Using System GMM and Non-Linear Random Effects
West Coast Best Coast? - Geographical Imbalances in US Venture Capital Funding
The Optical Interference Cancellation System: Design of a Photonic Integrated Circuit for RF Interference Cancellation
From Legislation to Installation: The Effects of State RPS Policies on Installed Solar Capacity
Term Structure Estimation of U.S. Treasury and Corporate Bond Yields and Analysis of Credit Spreads
Predicting Stock Prices Direction using Support Vector Machines
Creating Diversified Portfolios Using Cluster Analysis
Corporations and Legislation: Ana Analysis of Corporate Social Responsibility Practices and Law
Progress Made in Whole-Genome Sequencing Technology due to Federal Funding
Leading Innovation? The 2015 Toshiba Scandal and its Implications for Corporate Governance Reform in Japan
Far East of Eden: Determinants of Membership in the Asian Infrastructure Investment Bank
Modeling Forward Premia in the PJM Electricity Market
